5. Read the following passage and then answer the questions thatfollow:

As a Media Consumer, you may prefer to use one medium over the others. Whatever the basis for your preference, you should be aware that each medium has strengths and weaknesses. Among those strengths is that, they provide information about current events such as Radio, Television, Newspaper etc. Also they can be used to organize and unite the member of the community and so on. But on the other hand, through the use of Mass Media the community can be split away and society becoming separated.
For these reasons, one medium may be more appropriate in a situation than another. There are four factors determine which medium would be appropriate, these include what the medium can do, what its purpose, what role its play and what the event.

Questions:
